

“DOGS AND CATS AND GUINEA PIGS”

to the tune of “Heads, Shoulders, Knees and Toes”

The logo for ROB REID features the name in a blue, sans-serif font. The letters 'ROB' are stacked above 'REID'. A red L-shaped graphic element is positioned to the left and below the text.

Have the children make the following motions and sound effect for each animal:

Dogs: Pant with tongues out.

Cats: Like the back of their hand.

Guinea Pigs: Blink as if just waking up and looking around (which is how I usually find guinea pigs.)

Birds: Flap arms as wings.

Fish: Purse lips and hold hands behind ears as if they were gills.

Snakes: Flick tongues in and out.

Mice: Brush behind ears as if cleaning them with paws.
